Section 1.03 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the

operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

ARTICLE II

THE ADVANCES

Section 2.01 Commitment. (a) Each Lender severally agrees, on and subject to the terms and conditions hereinafter set forth, to make advances (each an "Advance") to the Borrower from time to time during the Availability Period, under a revolving line of credit in an aggregate principal amount not to exceed the amount set opposite such Lender's name as its Commitment in Schedule 2.01 or, if such Lender has entered into an Assignment and Assumption, the amount set forth for such Lender in the Register maintained by the Administrative Agent pursuant to Section 9.04(b)(iv) (such Lender's "Commitment").

(b) If at the time of any Borrowing there is any principal amount outstanding to any Lender under the Existing Credit Facility, then (i) such Lender's Commitment shall be deemed reduced by such outstanding amount; and (ii) all other Lenders' Commitments shall also be deemed reduced so that each Lender will maintain the same percentage share of the total Commitments.

(c) Each Borrowing made by the Borrower under this Section 2.01 shall consist of one or more Advances made on the same day by the Lenders ratably in accordance with their respective Commitments. Within the foregoing limit and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow the Borrowings.

Section 2.02 Advances and Borrowings. Each Borrowing shall consist of LIBOR Advances made or continued by the Lenders ratably in accordance with their respective Commitments. Each Advance shall be in an integral multiple of \$1,000,000, and the minimum amount of an Advance shall be \$1,000,000; *provided, however*, if less than \$1,000,000 is available to the Borrower a LIBOR Advance may be requested by the Borrower in an aggregate amount that is equal to the entire unused balance of each Lender's Commitment. The failure of any Lender to make any Advance required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and not joint (mancomunado), and no Lender shall be responsible for any other Lender's failure to make Advances as required.

Section 2.03 Funding of Borrowings.

(a) To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone not later than 11:00 a.m., San Juan, Puerto Rico time, two Business Days before the date of the proposed Borrowing, *provided however*, that the initial LIBOR Advance may be requested prior to 11:00 a.m. on the same day as the initial Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request in the form of Exhibit C and signed by the Borrower. Upon fulfillment of the applicable conditions set forth in Article IV, the Administrative Agent and Lenders will make the funds available to the Borrower by funding the Borrower's Operating Account held with the Administrative Agent. Each such telephonic and written Borrowing Request shall specify the following information:

- (i) the amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) the initial Interest Period selected by the Borrower for the requested Advance, which shall be equal to 1-week, 1-month, 2-months or 3-months; and
- (iv) the Current Expenses to be paid, which Current Expenses shall be evidenced by unpaid invoices or other documentation acceptable to the Administrative Agent, and shall total no less than the amount requested in the Borrowing Request.

If no Interest Period is specified with respect to any LIBOR Advance, then the Borrower shall be deemed to have selected an Interest Period of one month's duration; provided that no Interest Period may be selected which would mature after the Advance Repayment Date.

(b) Each Lender shall make each Advance to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, San Juan, Puerto Rico time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Advances available to the Borrower by promptly crediting the amounts so received, in like funds, to the Operating Account.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance

with banking industry rules on interbank compensation. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Advance included in such Borrowing.

Section 2.04 Interest Elections

(a) Each Borrowing initially shall be a LIBOR Advance and shall have an initial Interest Period as specified in such Borrowing Request. The Borrower may thereafter elect to continue such LIBOR Advance for one or more Interest Periods, all as provided in this Section; provided that the Borrower may not select an Interest Period that would mature after the Advance Repayment Date other than a final 1-week Interest Period, and on the last day of such final 1-week Interest Period, the Advance shall become due and payable.

(b) Not later than 11:00 a.m., San Juan, Puerto Rico time, two Business Days before the end of each Interest Period for each LIBOR Advance, the Administrative Agent shall provide the Borrower with the terms and interest rates available to the Borrower for the next Interest Period.

(c) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone, e-mail or facsimile by not later than 2:00 p.m., San Juan, Puerto Rico time, two Business Days before (A) the effective date of such election or (B) the last day of an Interest Period, and the Administrative Agent shall thereupon inform the Lenders of the Borrower's election by 3:00 p.m. on the same date. Each such telephonic, electronic or facsimile Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request in a form approved and signed by the Borrower.

(d) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies;
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) that such Borrowing shall be a LIBOR Advance or a Rollover; and
- (iv) the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

(e) If any such Interest Election Request does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of 1-month; provided, however, if such 1-month Interest Period would mature after the Advance Repayment Date, then such Interest Period shall be deemed to be 1-week; provided, further, that if such 1-week Interest Period shall mature after the Advance Repayment Date, then no additional Interest Period shall be available thereafter for such Advance and such Advance shall become due and payable on the

last day of such Interest Period. Notwithstanding anything to the contrary contained herein, no LIBOR Advance or Rollover shall mature after the Maturity Date.

(f) If the Borrower fails to deliver a timely Interest Election Request with respect to a Borrowing at the time specified in clause (b) of this Section 2.04 prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as a LIBOR Advance with an Interest Period of 1-month; *provided, however*, if such Interest Period would mature after the Advance Repayment Date, then such LIBOR Advance shall be continued with an Interest Period equal to 1-week; *provided, further*, that if such 1-week Interest Period would mature after the Advance Repayment Date then no additional Interest Period shall be available thereafter for such Advance and such Advance shall become due and payable on the last day of said Interest Period. Notwithstanding anything to the contrary contained herein, no LIBOR Advance or Rollover shall mature after the Maturity Date.

Section 2.05 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$1,000,000, and (ii) the Borrower shall not terminate or reduce the Commitments if, after giving effect to any concurrent repayment of the Advances in accordance with Section 2.06, the Credit Exposures would exceed the total Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least five (5) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

(d) If an Event of Default or a Final Determination has occurred, the Commitment shall be automatically and immediately reduced to zero and the Availability Period shall thereupon be terminated. The Administrative Agent shall give notice to the Borrower of such reduction and termination; however, failure to give such notice shall in no way affect the reduction of the Commitment and the termination of the Availability Period.

Section 2.06 Repayment of Advances; Evidence of Debt.

(a) The Advances made to the Borrower by each Lender shall be evidenced by a Note payable to the order of such Lender. The aggregate outstanding principal amount of the Notes shall not exceed FIVE HUNDRED MILLION DOLLARS (\$500,000,000).

(b) Each LIBOR Advance shall be due and payable on the last day of the Interest Period ending closest to six months after disbursement thereof (the "Advance Repayment Date"), determined as provided in Section 2.04.

(c) Any Advance that, 180 days after the initial disbursement, is an ABR Advance, shall be due and payable on that date.

(d) The aggregate unpaid principal balance of all outstanding Advances, together with interest thereon shall be payable in full on the Maturity Date. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Advance on its Advance Repayment Date as determined pursuant to Section 2.06(b), but in no event later the Maturity Date.

(e) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Advance made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(f) The Administrative Agent shall maintain accounts in which it shall record the amount of each Advance made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof and (iv) the principal amount of any Note issued under Section 9.04(e) hereof, and the name, address and wire transfer instructions and any other account information for the assignee to which such Note will be delivered.

(g) The entries made in the accounts maintained pursuant to paragraph (b) or of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Advances in accordance with the terms of this Agreement and, in the event of any discrepancy between such entries, the entries in the accounts maintained by the Administrative Agent shall govern.

(h) The obligations of the Borrower to the Lenders will be evidenced by the Notes.

Section 2.07 Optional Prepayment of Advances.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.

(b) The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy) (i) in the case of prepayment of a LIBOR Advance, not later than 11:00 a.m., San Juan, Puerto Rico time, two Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Advance, not later than 11:00 a.m., San Juan, Puerto Rico time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the repayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that if a notice of repayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.05, then such notice of repayment may be revoked if such notice of termination is revoked in accordance with Section 2.05. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial repayment of any Borrowing shall be in an amount not less than \$1,000,000 and integral multiples thereof. Each repayment of a Borrowing shall be made to the Administrative Agent and applied ratably to the Advances included in the prepaid Borrowing.

(c) All repayments under this Section 2.07 shall be made together with accrued interest as required by Section 2.09 to the date of such repayment on the principal amount prepaid.

(d) All prepayments under this Section 2.07 shall be made without prepayment penalty or premium, without prejudice to the obligation of the Borrower to pay the amounts required to be paid to the Lenders pursuant to subsection (e) below.

(e) In the event of (a) the payment of any principal of any LIBOR Advance, other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), or (b) the failure to borrow, continue or prepay any LIBOR Advance on the date specified in any notice delivered pursuant thereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Advance had such event not occurred, at the LIBOR Rate that would have been applicable to such Advance, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow or continue, for the period that would have been the Interest Period for such Advance), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would be offered, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the LIBOR market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof. Notwithstanding anything to the contrary herein, this paragraph (e) shall not apply to any LIBOR Advance with an Interest Period of 1-week.

Section 2.08 Structuring Fee. The Borrower agrees to pay to the Administrative Agent a fee equal to \$150,000 (the "Structuring Fee"). The Structuring Fee shall be payable in immediately available funds no later than [five (5)] Business Days following the Closing Date.

Section 2.09 Interest.

(a) *LIBOR Advances.* Each Advance shall accrue interest from the date it was made until the full repayment thereof at a fluctuating annual rate equal at all times during each Interest Period for such Advance at LIBOR plus the Applicable Margin; provided however, that commencing on the 91st day after the initial disbursement of the Advance and until full payment thereof, the applicable interest rate shall increase by 25 basis points (the "Extension Premium"). The Administrative Agent shall give the Borrower prompt written notice of the LIBOR Rate that is set for each Interest Period, including the Extension Premium if applicable.

Any adjustment to the Applicable Margin due to a change in any rating of the Senior Debt by Moody's or by S& P (an "Adjustment Event") shall be made by the Administrative Agent, as soon as practicable after receipt by the Administrative Agent of (i) notice from the Borrower provided pursuant to Section 5.02 hereof or (ii) other evidence satisfactory to the Administrative Agent confirming that an Adjustment Event has transpired which gives rise to an adjustment to the Applicable Margin. Any such adjustment to the Applicable Margin shall be effective as of the date of the occurrence of the Adjustment Event.

(b) *ABR Advances.* During the first 90 days after disbursement, ABR Advances shall bear interest at a fluctuating rate per annum equal at all times to the Alternate Base Rate plus the Applicable Spread. Commencing on the 91st day after disbursement, ABR Advances shall bear interest at a fluctuating rate per annum equal at all times to the Alternate Base Rate, plus the Applicable Spread, plus 25 basis points.

(c) *Default Rate.* Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Administrative Agent or the Lenders provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of the Advances during any period when an Event of Default, pursuant to clause (a) and (b) under Article VII hereof shall have occurred and be continuing, shall be four percent (4%) over the Alternate Base Rate and (ii) when an Event of Default, other than an Event of Default under clause (a) or (b) of Article VII, shall have occurred and is continuing shall be one percent (1%) over the Alternate Base Rate (the "Default Rate").

(d) The Administrative Agent shall determine the interest rate for Advances as provided above and shall furnish such rate to the Borrower and the Lenders. No later than the second Business Day preceding each Interest Payment Date, the Administrative Agent shall notify the Borrower in writing or by readily accessible electronic means of the total amount of interest payable on the Advances on such Interest Payment Date.

(e) Accrued interest on each Advance shall be payable in arrears on each Interest Payment Date for such Advance and upon the earliest of the Maturity Date, the termination of the Commitments and such other date on which the Advances are due and payable hereunder; provided that in the event of any repayment or prepayment of any Advance, accrued

interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(f) Interest shall be calculated on the basis of a 360-day year for LIBOR Advances and if the Alternate Base Rate is in effect on the basis of a 365-day year, in each case for the actual number of days elapsed.

(g) Upon a Final Determination, the Administrative Agent shall calculate (i) the amount of interest which accrued on all Advances from the Date of Taxability to the date of the Final Determination and (ii) the amount of interest which would have accrued on all Advances from the Date of Taxability to the date of the Final Determination if the interest rate during such period of calculation had been the sum of the LIBOR Rate (including any Extension Premium) for each such Interest Period for such Advance *plus* an amount equal to any additional costs incurred by the Administrative Agent and the Lenders due to the Final Determination so that net of such additional costs the Administrative Agent and Lenders receive the amount they would have received had no Final Determination been made. Upon such calculation the Administrative Agent shall make demand on the Borrower for amount equal to an amount by which the amount described in clause (ii) exceeds the amount described in clause (i). The Borrower shall pay to the Administrative Agent for the benefit of the Lenders as additional interest on the Advances the amount so demanded upon receipt of such demand.

(h) The obligation of any Lender hereunder to make, fund or maintain Advances bearing interest at the LIBOR Rate shall in all cases be subject to the availability to all of the Lenders of LIBOR funds.

Section 2.10 Alternate Rate of Interest. If prior to the commencement of any Interest Period for any LIBOR Advance the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) such deposits in the relevant amount and for the relevant Interest Period are not available to it, (ii) by reason of circumstances affecting its relevant market, adequate means do not exist for ascertaining the interest rate applicable hereunder to LIBOR Advances, or (iii) the LIBOR Rate will not adequately and fairly reflect the cost to the Administrative Agent or Lender of making or continuing LIBOR Advances for an applicable Interest Period, then the Administrative Agent shall give notice thereof to the Borrower by telephone or telecopy as promptly as practicable thereafter and, until the Lender notifies the Borrower that the circumstances giving rise to such notice no longer exist, (i) such Borrowing (unless prepaid) shall be converted to, an ABR Advance (provided that no such conversion shall be required earlier than the last day of the then-current Interest Period) and (ii) if any Borrowing Request requests a LIBOR Advance, such Borrowing shall be made as an ABR Advance. The Administrative Agent shall promptly notify the Borrower when the circumstances giving rise to such notice no longer exist, and upon receipt of such notice the Borrower may elect to convert such ABR Advances to LIBOR Advances.

Section 2.11 Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if the Borrower shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that

after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate.

(f) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund or credit of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.11, it shall pay to the Borrower such refund or an amount equal to such credit (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.11 with respect to the Taxes or Other Taxes giving rise to such refund or credit), net of all reasonable out-of-pocket expenses relating to such refund or credit of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrower agrees, upon the request of the Administrative Agent or such Lender, to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental

Authority. This Section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

Section 2.12 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees, or amounts payable under Section 2.11, or otherwise) prior to 12:00 noon, San Juan, Puerto Rico time, on the date when due, in immediately available funds, without set off or counterclaim except as otherwise provided in Section 2.12(f). All payments to the Administrative Agent shall be made through the Federal Reserve Wire System to JPMorgan Chase Bank-New York, ABA No. 021000021 at the Federal Reserve Bank of New York for credit to Scotiabank de Puerto Rico, account number 001058975. With respect to payments of principal and interest, payment should be made to the account name and number to be provided by the Administrative Agent to the Borrower, from time to time. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Payments pursuant to Sections 2.11 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Advances resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Advances and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Advances of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Advances; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances to any assignee or participant, other than to the

Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.03(b) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) To the extent permitted by applicable law, the Borrower may offset against any payments due to any Lender under this Agreement or the Notes the amount of any loss suffered by the Borrower as a result of the failure of such Lender to return any monies of the Borrower on deposit with such Lender due to the bankruptcy or insolvency of such Lender. Any such offset may be made only against payments due to the insolvent Lender, when and as the same become due, and no offsets may be made against any amounts due and payable to any other Lender. The Borrower may not exercise any right of setoff with respect to all or any portion of deposits which are insured by the Federal Deposit Insurance Corporation.

(g) If any scheduled payment of principal and/or interest is not made within 10 days of its due date, the Borrower shall also pay a late charge equal to 5% of such late principal and/or interest payment. Acceptance by the Administrative Agent of any late payment without an accompanying late charge shall not be deemed a waiver of the Administrative Agent's right to collect such late charge or to collect a late charge for any subsequent late payment received.

Section 2.13 Mitigation Obligations; Replacement of Lenders.

(a) If the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.11, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Advances hereunder or to assign its rights and obligations hereunder to another of its offices,

branches or affiliates if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.11, or if any Lender defaults in its obligation to fund Advances hereunder, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or payments required to be made pursuant to Section 2.11, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.14 Notes as Current Expenses. The Lenders acknowledge and agree that all obligations hereunder are evidenced by the Notes and constitute Current Expenses under the Trust Agreement, which Current Expenses are subject to the terms and conditions of the Trust Agreement and the Resolution relating to the priority of payments and the right to exercise remedies thereunder.

Section 2.15 Change in Circumstances.

(a) If due to any Change in Law there shall be (i) any increase in the cost to any Lender of making or maintaining the Advances; (ii) any increase in the amount of capital required or maintained, or expected to be maintained, by any Lender and the amount of such capital is increased by or based upon the existence of its Advances or Commitment hereunder; or (iii) any decrease in the effective rate of return on the capital of any Lender of making or maintaining the Advances (each an "Event," collectively, the "Events"), excluding any Events resulting from changes in the basis of taxation of overall net income or overall gross income affecting such Lender (the determination of any and all of the preceding Events being at the affected Lender's sole and absolute discretion with respect to the Advances), then such Lender shall provide the Borrower and the Administrative Agent with a written notice that shall (1) describe in reasonable detail the Event together with the approximate date of the effectiveness thereof, (2) set forth the cost to the Lender in respect of such Event and (3) calculate such amount as the Lender determines in its sole and absolute discretion is necessary to be compensated for the cost of such Event. Such notice or notices may be sent by a Lender in

respect of an Event or Events from time to time. The Borrower shall pay directly to the Administrative Agent for the account of the affected Lender from time to time upon such Lender's written demand, the amount sufficient to compensate the Lender for the cost of such Events.

(b) If any Change in Law shall make it unlawful for any Lender to continue to maintain its Commitment, or for the Borrower to comply with its obligations in respect of Advances by such Lender, the Borrower shall forthwith (or within the period allowed for such payment, if any, prior to the date when such unlawfulness becomes effective), upon such Lender's demand, prepay the outstanding Advances made by such Lender in full, together with accrued interest thereon and payment of any funding-loss compensation required pursuant to Section 2.07(e) above. The affected Lender shall submit to the Borrower and the Administrative Agent a written statement setting forth the basis for determining such amounts.

Any notice pursuant to this Section 2.15, including the certifications made therein, shall be conclusive and binding on the Borrower absent manifest error.

(c) The Borrower shall pay to each Lender, so long as such Lender shall be required under regulations of the Board of Governors of the Federal Reserve System to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, additional interest on the unpaid principal amount of each Advance of such Lender, from the date of such Advance until such principal amount is paid in full, at an interest rate per annum equal at all times to the remainder obtained by subtracting (i) the LIBOR Rate (plus any Extension Premium, if applicable) for such Interest Period for such Advance from (ii) the rate obtained by dividing such LIBOR Rate (plus any Extension Premium, if applicable) by a percentage equal to 100% minus the LIBOR Rate Reserve Percentage of such Lender for such Interest Period, payable on each date on which interest is payable on such Advance. Such additional interest shall be determined by such Lender and notified to the Borrower through the Administrative Agent.

(d) Notwithstanding any other provision of this Agreement, if any Lender shall notify the Administrative Agent that the introduction of or any change in, or in the interpretation of, any law or regulation makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for any Lender to perform its obligations hereunder to make LIBOR Advances or to fund or maintain LIBOR Advances, as the case may be, (i) the Administrative Agent shall immediately notify the Borrower in writing of such circumstances, (ii) the obligation of the Lenders to make LIBOR Advances shall be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist and (iii) all outstanding LIBOR Advances shall automatically be converted into ABR Advances. The Administrative Agent shall promptly notify the Borrower in writing when the circumstances giving rise to such notice no longer exist, and upon receipt of such written notice the Borrower may convert such ABR Advances to LIBOR Advances.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders that:

Section 3.01 Organization; Powers. Each of the Borrower and its Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 3.02 Authorization; Enforceability. The Transactions are within the Borrower's powers and have been duly authorized by all necessary corporate action on the part of the Borrower. The Trust Agreement, this Agreement and each other Loan Document to which the Borrower is a party have been duly executed and delivered by the Borrower and constitute legal, valid and binding obligations of the Borrower, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. The Advances will be treated as Current Expenses under the Trust Agreement, and the Borrower will record the Advances as Current Expenses on its books, records and financial statements.

Section 3.03 Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (b) will not violate any law or regulation applicable to the Borrower or the organizational documents of the Borrower or any of its Subsidiaries or any order of any Governmental Authority applicable to the Borrower, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of its Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of its Subsidiaries, and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries except as provided in the Trust Agreement.

Section 3.04 Financial Condition; No Material Adverse Change. (a) The Borrower has heretofore furnished to the Administrative Agent its consolidated balance sheet and statements of revenues, expenses and changes in net assets and cash flows as of and for the fiscal year ended June 30, 2011, reported on by Ernst & Young LLP, independent public accountants. Such financial statements present fairly, in all material respects, the financial position and results of operations and, as applicable, cash flows of the Borrower and, as applicable, its consolidated Subsidiaries as of such date and for such periods in accordance with GAAP.

(b) Since the last date of the period covered by the most recent audited financial statements delivered to the Administrative Agent, there has been no material adverse

change in the business, assets, operations, prospects or condition, financial or otherwise, of the Borrower and its Subsidiaries, taken as a whole.

Section 3.05 Properties. Each of the Borrower and its Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and except as permitted pursuant to Section 6.01.

Section 3.06 Litigation and Environmental Matters.

(a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve this Agreement or the Transactions.

(b) Except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

Section 3.07 Compliance with Laws and Agreements. Each of the Borrower and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

Section 3.08 Status. Neither the Borrower nor any of its Subsidiaries is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940 or a public utility holding company under the Public Utility Holding Company Act of 2005.

Section 3.09 Taxes. Each of the Borrower and its Subsidiaries has timely filed or caused to be filed all tax returns and reports required to have been filed and has paid or caused to be paid all taxes required to have been paid by it, except (a) taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

Section 3.10 Disclosure. The Borrower has disclosed to the Administrative Agent all agreements, instruments and corporate or other restrictions to which it or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. The Administrative Agent shall

furnish all such information so received from the Borrower to the Lenders. None of the other reports, financial statements, certificates or other information furnished by or on behalf of the Borrower to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

Section 3.11 Resolution; Trust Agreement. The Resolution has been duly adopted by the Borrower and proceedings related thereto have been validly and legally taken. The Notes have been duly and validly authorized in accordance with law. The Notes are valid and binding obligations of the Borrower, payable as Current Expenses from the Puerto Rico Electric Power Authority General Fund established under the Trust Agreement.

Section 3.12 Repayment. If the Borrower incurs or issues Indebtedness for the purpose of repaying the Advances and other obligations hereunder, such incurrence or issuance of Indebtedness (a) does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority (other than the Borrower), except such as have been obtained or made and are in full force and effect other than (i) the approval of the Government Development Bank for Puerto Rico which is not expected to be unreasonably withheld or delayed, and (ii) if applicable, the filing of Form 8038-G with the Internal Revenue Service, (b) will not violate any law or regulation applicable to the Borrower or the organizational documents of the Borrower or any of its Subsidiaries or any order of any Governmental Authority applicable to the Borrower, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of its Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of its Subsidiaries, and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries except as permitted in Section 6.01.

Section 3.13 No Immunity. With respect to actions, obligations or contracts which constitute proprietary functions, the Borrower is not entitled to claim immunity on the grounds of sovereignty or other similar grounds with respect to itself or its revenues (irrespective of their use or intended use) from (i) suit, (ii) relief by way of injunction, order for specific performance or for recovery of property, or (iii) execution of enforcement of any judgment to which it or its revenues might otherwise be made subject in any suit, action or proceedings relating to this Agreement or the other Loan Documents brought validly in the courts of any jurisdiction and no such immunity (whether claimed or not claimed) may be attributed to the Borrower or its revenues.

Section 3.14 Tax-Exemption. All payments of principal and interest under this Agreement and the Notes are exempt from all Commonwealth (including any instrumentality or political subdivision of the Commonwealth) taxes and assessments of any kind or nature, including, without limitation, income taxes, municipal license taxes (patents) and withholding

obligations. The Notes are exempt from all Commonwealth (including any instrumentality or political subdivision of the Commonwealth) property taxes.

All representations and warranties made in this Agreement and the other Loan Documents by the Borrower shall be deemed to have been relied upon by the Administrative Agent and each of the Lenders notwithstanding any investigation heretofore or hereafter made by the Administrative Agent or any Lender or on its or their behalf.

ARTICLE IV

For the avoidance of doubt, the representations and warranties contained in Section 3.04(b) shall relate to the most recent audited financial statements delivered to the Administrative Agent immediately prior to such Borrowing.

(e) Between the Closing Date and the date of such Borrowing, (i) there shall not have been a Determination of Taxability or Final Determination, (ii) there is no Legal Proceeding pending, and (iii) there shall not have been a Change in Law which would prohibit any Lender from lawfully making its Advance or would make the Borrower's execution of this Agreement or use of the proceeds of any Advances illegal or have the retroactive effect of making such use illegal.

Each Borrowing shall be deemed to constitute a representation and warranty by the Borrower on the date thereof as to the matters specified in paragraphs (b), (c), (d) and (e) of this Section.

(b) the Borrower shall fail to pay any fee or any other amount (other than an amount referred to in clause (a) of this Article) payable under this Agreement when and as the same shall become due and payable, and such failure shall continue unremedied for a period of three Business Days;

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Subsidiary in (i) this Agreement or any amendment or modification hereof or waiver hereunder shall prove to have been incorrect when made or deemed made or (ii) any report, certificate, financial statement or other document furnished pursuant to or in connection with this Agreement or any amendment or modification hereof or waiver hereunder shall prove to have been incorrect in any material respect when made or deemed made;

(d) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in Sections 5.02, 5.03 (with respect to the Borrower's existence), 5.08 or in Article VI;

(e) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in (i) this Agreement (other than those specified in clause (a), (b) or (d) of this Article), (ii) any other existing or future credit facility with the Administrative Agent or any of its Affiliates or a credit facility with any other financial institution or debt holder, and such failure shall continue unremedied for a period of 30 days after the earlier of the Borrower obtaining actual knowledge thereof or the Borrower receiving notice thereof from the

Administrative Agent; provided, however, that if such failure is not capable of being remedied within 30 days and the Borrower is diligently pursuing remediation, such failure continues unremedied for a period 90 days after such notice;

(f) the Borrower or any Subsidiary shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable after giving effect to applicable grace periods and notices;

(g) any event or condition not referred to in the foregoing clause (f) occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with or without the giving of notice, the lapse of time or both) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) the Borrower or any Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Subsidiary or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(j) the Borrower or any Subsidiary shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(k) the Borrower denies, to any material extent, its obligations under this Agreement or any related Loan Document or claims any such document or security interest in connection with this Agreement to be invalid or withdrawn in whole or in part;

(l) one or more judgments for the payment of money in an aggregate amount in excess of \$10,000,000 shall be rendered against the Borrower, any Subsidiary or any

combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Subsidiary to enforce any such judgment and the same shall not be bonded;

(m) any amendment to the Trust Agreement adversely effects the priority of payment for any amounts due under this Agreement;

(n) any material change or development occurs which the Administrative Agent reasonably determines has had or will likely have a Material Adverse Effect;

(o) total indebtedness of the Borrower to the Administrative Agent and the Lenders pursuant to this Agreement due on demand, shall become immediately due and payable by the Borrower to the Administrative Agent and Lenders on demand;

(p) any judgment, injunction or decree is entered or issued and becomes enforceable against the Borrower or any property of the Borrower preventing the Borrower from continuing to operate a material portion of its business affairs in the normal course or any creditor takes possession of any material property of the Borrower; or

(q) an event of default shall have occurred under the Trust Agreement;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments and thereupon the Commitments and the Availability Period shall terminate immediately, and (ii) declare the Advances then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable) and thereupon the principal of the Advances and other amounts so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in clause (h) or (i) of this Article, the Commitments and the Availability Period shall automatically terminate and the principal of the Advances then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

ARTICLE VIII

THE ADMINISTRATIVE AGENT

Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof, together with such actions and powers as are reasonably incidental thereto.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement, (ii) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing reasonably believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the

Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facility provided for herein as well as activities as Administrative Agent.

The Administrative Agent may resign at any time, with the consent of the Borrower, by notifying the Lenders and the Borrower. Upon the occurrence of an Event of Default or a Final Determination, the Administrative Agent may immediately resign by notifying the Lenders and the Borrower. The Administrative Agent may be removed, with or without cause, by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor, after consultation with the Borrower; provided, however, that if an Event of Default has occurred and is continuing or a Final Determination has been made, no such consultation with the Borrower shall be required. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank with an office in San Juan, Puerto Rico or in the United States, or an Affiliate of any such bank, in any such case having capital and surplus of at least \$1 billion. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Notice. (a) Except in the case of notices and other communications expressly permitted to be given by telephone (and subject to paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy or electronic mail, as follows:

(i) if to the Borrower, to it at 1110 Ponce de Leon Avenue, San Juan, Puerto Rico 00909-3802, Attention of Nelson Morales (Telecopy No. (787) 521-4502, e-mail address: nmorales@aepr.com);

(ii) if to the Administrative Agent, to it at Scotiabank Tower, CBC Department, Floor 8, 290 Jesús T. Piñero Ave., San Juan, Puerto Rico 00936-2394, Attention: Irmari Portalatin and Juan Boscio, (Telecopy No. (787) 766-7909, e-mail addresses irmari.portalatin@scotiabank.com and juan.boscio@scotiabank.com, respectively); and

(iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of an Advance shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce or forgive the principal amount of any Advance or reduce the rate of interest thereon, or reduce or forgive any fees payable hereunder, without the written consent of each Lender affected thereby,

(iii) postpone the scheduled date of payment of the principal amount of any Advance, or any interest thereon, or any fees payable hereunder, or reduce or forgive the amount of, waive, forgive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 2.12(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) release any collateral securing the Advances, or (vi) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent.

Section 9.03 Indemnity; Damage Waiver. (a) To the extent permitted by law, the Borrower shall indemnify the Administrative Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Advance or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses resulted from the gross negligence or willful misconduct of such Indemnatee.

(b) If the indemnification provided for in paragraph (a) of this Section is unavailable to an Indemnatee in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such Indemnatee thereunder, shall contribute to the amount paid or payable by such Indemnatee as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Borrower and the Administrative Agent or the Lenders from the Advances or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Borrower and of the Administrative Agent or the Lenders in connection with the occurrences that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Borrower and the Administrative Agent or the Lenders shall be deemed to be in the same respective proportions as the proceeds from the Advances received by the Borrower and the fees received by the Administrative Agent or the interest received by the Lenders bear to the sum of such amounts. The Borrower, the Administrative Agent and the Lenders agree that it would not be just and equitable if contribution pursuant to this Section were

determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this paragraph. The amount paid or payable by an Indemnitee as a result of the losses, claims, damages and liabilities referred to in this paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnitee in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section, the Administrative Agent and the Lenders shall not be required to contribute any amount in excess of the fees or interest received by the Administrative Agent or the Lender on the Advances, as applicable. No Person guilty of fraudulent misrepresentation shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, (i) each Lender severally agrees to pay to the Administrative Agent such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent in its capacity as such.

(d) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Advance or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

Section 9.04 Successors and Assigns, Participations and Transfer of the Notes. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Commitment of such Lender and the Advances at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

A. the Borrower, provided that no consent of the Borrower shall be required for an assignment to an existing Lender, an Affiliate of an existing Lender or an Approved Fund or, if an Event of Default has occurred and is continuing or if a Final Determination has been made, any other assignee; and

B. the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of any Commitment to an assignee that is a Lender with a Commitment immediately prior to giving effect to such assignment, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

A. except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Advances, the amount of the Commitment or Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing or a Final Determination has been made;

B. each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of any Commitment or Advances;

C. the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption;

D. the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate level information (which may contain material non-public information about the Borrower and its related parties or its securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

E. if any Lender makes an assignment to an Affiliate or an Approved Fund pursuant to this subsection (b) prior to the occurrence of an Event of Default and the Borrower does not consent to such assignment, the Borrower shall not be obligated to reimburse such Affiliate or Approved Fund under Section 2.11 for an amount greater than the amount the Borrower would have been obligated to reimburse such Lender under such sections if such assignment had not occurred; and

F. unless an Event of Default has occurred and is continuing, there shall not be more than three Lender Groups at any one time.

For the purposes of this Section 9.04(b), the term "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have, in addition to any such rights and obligations theretofore held by it, the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.11 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Advances owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by paragraph (b)(i)(A) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.03(b), 2.12(d) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower or the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant, or modify or waive any provision in this Agreement which materially and adversely affects the rights or remedies of the Lenders. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.11 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.12(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.11 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.11 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.11(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and its Notes to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In order to implement the assignment and participation rights in this Section 9.04, the Administrative Agent may request the Borrower at any time prior to the Maturity Date, to execute a new Note in the form of Exhibit B, and the Borrower agrees to provide the Administrative Agent with such executed Note or Notes within five Business Days of such request.

Section 9.05 Survival; Reinstatement of Obligations. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of

this Agreement and the making of any Advances, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Advance or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or been terminated. The provisions of Sections 2.09(h), 2.11 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Advances, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

This Agreement, and the Borrower's Obligations hereunder, shall continue to be effective, or shall be automatically reinstated, as the case may be, if at any time payment in whole or in part of any of the Obligations is rescinded or must otherwise be restored or returned to the Borrower or such other party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Borrower, or with respect to any part of its properties or assets or otherwise, all as though such payment had not been made.

Section 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each

Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

Section 9.09 Governing Law. This Agreement shall be construed in accordance with and governed by the law of the Commonwealth.

Section 9.10 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Advance, together with all fees, charges and other amounts which are treated as interest on such Advance under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Advance or which may be contracted for or paid by the Borrower in accordance with applicable law, the rate of interest payable in respect of such Advance, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Advance but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Advances shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.13 USA Patriot Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act") hereby notifies the Borrower that, pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information, to the extent known to the Borrower, that will allow such Lender to identify the Borrower in accordance with the Act. The Borrower shall promptly provide such information upon request from any such Lender.

Section 9.14 Waiver of Immunity. The Borrower agrees that it will not assert any immunity (sovereign or otherwise) it may have as a governmental instrumentality against

lawsuits brought in contract under the law of the Commonwealth with respect to this Agreement, any of the other Loan Documents or in connection herewith or therewith.

Section 9.15 Press Releases and Other Communications. The parties agree that no news release or public announcement pertaining to this Agreement or the transactions contemplated hereby shall be made by or on behalf of any party hereto without the prior approval of the other party. Notwithstanding the foregoing, nothing herein shall prohibit any party from making any disclosure that, in the opinion of its counsel, is required by any applicable law or regulation applicable to either the Borrower or the Lender.

Section 9.16 Comptroller of Puerto Rico. No payment under this Agreement, the Notes and the other Loan Documents shall be demanded until such time as this Agreement and the other Loan Documents have been submitted for registration with the Office of the Comptroller of the Commonwealth, pursuant to the provisions of Act. This promissory note is one of the Notes referred to in the Credit Agreement and is entitled to the benefits of, and subject to the terms of, the Credit Agreement. Capitalized terms used herein without definition have the meanings assigned to them in the Credit Agreement.

This Note shall not be deemed to constitute a debt or obligation of the Commonwealth of Puerto Rico or any of its municipalities or other political subdivisions other than the Borrower, and neither the Commonwealth of Puerto Rico nor any such municipalities or other political subdivisions other than the Borrower are liable for the payment of this Note or interest thereon or any amounts due under the Credit Agreement, but this Note and the interest thereon and amounts due under the Credit Agreement shall be payable as provided in the Credit Agreement, the Resolution (hereinafter defined) and the Trust Agreement (hereinafter defined).

In case an Event of Default shall occur and be continuing, all amounts then remaining unpaid on this Note shall become, or may be declared to be, immediately due and payable, as provided in the Credit Agreement, without presentment, demand for payment, protest or notice of any kind, all of which are expressly waived by Borrower.

The Borrower agrees to pay all costs and expenses, including reasonable attorneys' fees incurred in connection with the interpretation or enforcement of this Note, as permitted by and in accordance with the Credit Agreement.

This Note is payable by the Borrower as a "Current Expense" under the Trust Agreement, dated as of January 1, 1974, as amended and supplemented, by and between the Borrower and the U.S. Bank National Association, as successor trustee (the "Trust Agreement"), pursuant to Resolution No. 3909 adopted by the Borrower on April 12, 2012 and a Certificate of Determination, dated May 4, 2012, executed by the Executive Director of the Authority (collectively, the "Resolution"), and is subject to the terms and provisions set forth in the Trust Agreement relating to Current Expenses.

SECOND AMENDING AGREEMENT
TO
CREDIT AGREEMENT

This Second Amending Agreement (the "Second Amending Agreement") to that certain Credit Agreement, dated as of May 4, 2012, by and among PUERTO RICO ELECTRIC POWER AUTHORITY (the "Borrower"), the LENDERS party thereto, and SCOTIABANK DE PUERTO RICO, as Administrative Agent (in such capacity, the "Agent") (the "Credit Agreement") is made as of April 25, 2013.

WITNESSETH:

WHEREAS, the Borrower, the Lenders and the Agent entered into the Credit Agreement, pursuant to which the Lenders granted to the Borrower certain revolving credit facility.

WHEREAS, the Credit Agreement was amended by a *First Amending Agreement to Credit Agreement* dated October 23, 2012 (the "First Amending Agreement").

WHEREAS, all capitalized terms used herein and not otherwise defined, are used with the same meanings given to such terms in the Credit Agreement, as amended by the First Amending Agreement.

WHEREAS, the parties have agreed to further amend the Credit Agreement to (i) grant a waiver and extension to the term to deliver certain financial documents, and (ii) extend the Maturity Date, all as more fully set out below; as well as to acknowledge that Oriental Bank has become a Lender, as successor by merger to Banco Bilbao Vizcaya Argentaria Puerto Rico.

NOW THEREFORE, the parties hereby execute this Second Amending Agreement under the following:

TERMS AND CONDITIONS

1. Delivery of Financial Information.

The Borrower was required under Section 5.01(a) of the Credit Agreement to furnish to the Administrative Agent, by December 31, 2012, its audited consolidated balance sheet and related statements of revenues, expenses and changes in net assets and cash flows for the fiscal year ended June 30, 2012, together with the related certificates required by subsections (c) and (d) of Section 5.01. At the Borrower's request the Administrative Agent and all Lenders hereby waive the Borrower's failure to comply with said term, and extend until April 30, 2013 the term granted by Section 5.01, subsections (a), (c) and (d), to provide the financial statements and certificates required by said subsections with respect to the fiscal year ended June 30, 2012.

2. Extension of Maturity Date.

At the Borrower's request, the Administrative Agent and all Lenders agree to extend the Maturity Date to June 30, 2013. Accordingly, the definition of "Maturity Date" contained in Section 1.01 of the Credit Agreement is hereby amended to read as follows:

"Maturity Date" means June 30, 2013.

3. Limited Effect of Waiver and Consent.

The Borrower acknowledges that, in accordance with Section 9.02(a) of the Credit Agreement, the waiver and consent granted herein to the Borrower's departure from the established terms of the Credit Agreement, is effective only in this specific instance and for the purpose for which it is given. No inference is to be drawn from this Second Amending Agreement that the Lenders will grant any waiver, consent or extension in any other instance or with respect to any other terms of the Credit Agreement.

4. Allonges to Notes.

9/6/13
Concurrently herewith the Borrower has executed and delivered to the Agent four allonges, substantially in the form of Exhibit A to this Second Amending Agreement, referencing the four Notes issued by the Borrower to the order of the Lenders. The Agent shall forthwith deliver each allonge to its corresponding Lender, who will then attach the allonge to the Note issued by the Borrower to such Lender, thereby evidencing the extension to the Maturity Date of the Notes granted by this Second Amending Agreement.

5. Extension Fee.

The Lenders grant the foregoing waiver, consent and extension to the Maturity Date in consideration of the payment by the Borrower to the Agent, for the pro-rata benefit of the Lenders, of an extension fee in the sum of \$312,500, the receipt of which the Agent acknowledges on this date.

6. Acknowledgement of Successor Lender.

The parties acknowledge that Oriental Bank, as the surviving entity of a merger with Banco Bilbao Vizcaya Argentaria Puerto Rico effective as of December 18, 2012, succeeded by operation of law to all rights and obligations of Banco Bilbao Vizcaya Argentaria Puerto Rico as Lender in respect of the Credit Agreement and all other Loan Documents.

7. All Other Provisions Applicable.

The Credit Agreement, as changed, altered, amended or modified by this Second Amending Agreement, shall continue in full force and effect and is hereby in all respects ratified and confirmed and the rights and obligations of all parties thereunder shall not be affected or

prejudiced in any manner except as specifically provided for herein. All terms, conditions, covenants and undertakings of the Loan Documents and all other instruments executed and/or delivered in connection therewith not expressly amended, substituted or otherwise revoked by the terms hereof, remain in full force and effect.

8. References to Agreement.

All references in the Credit Agreement to the "Agreement" shall now mean the Credit Agreement, as amended by the First Amending Agreement and this Second Amending Agreement; and all references to the "Credit Documents" shall now include this Second Amending Agreement.

9. No Novation.

 The foregoing modifications to the terms of the Credit Agreement shall not be construed nor do they constitute an extinctive novation of the Borrower's Obligations under the Credit Agreement.

10. Inconsistent Terms.

If any provision of this Second Amending Agreement is inconsistent or conflicts with any provision of the Credit Agreement, the relevant provision of this Second Amending Agreement shall prevail and be paramount.

The Borrower further agrees to pay, in lawful money of the United States of America and in immediately available funds, interest from the date hereof on the unpaid and outstanding principal amount hereof until such unpaid and outstanding principal amount shall become due and payable (whether at stated maturity, by acceleration or otherwise) at the rate or rates and at the times set forth in the Credit Agreement, and the Borrower agrees to pay other Obligations as provided in the Credit Agreement.

Such records maintained by the Agent shall constitute *prima facie* evidence of the accuracy of the information so recorded in the absence of manifest error, provided that the failure to make such recordation or any error therein shall not limit or otherwise affect the obligations of the Borrower hereunder or under the Credit Agreement in respect of the Advances. The holder of this Note may, at its option, also record the date and amount of the Advances, the date and amount of each prepayment of principal thereof and the amount of unpaid principal with respect thereto on Schedule 1 annexed hereto and constituting a part hereof, and any such recordation shall constitute *prima facie* evidence of the accuracy of the information so recorded in the absence of manifest error, provided that the failure of the holder of this Note to make such recordation or any error therein shall not limit or otherwise affect the obligations of the Borrower hereunder or under the Credit Agreement in respect of the Advances.

In case an Event of Default shall occur and be continuing, all amounts then remaining unpaid on this Note shall become, or may be declared to be, immediately due and payable, as provided in the Credit Agreement, without presentment, demand for payment, protest or notice of any kind, all of which are expressly waived by Borrower.

The Borrower agrees to pay all costs and expenses, including reasonable attorneys' fees incurred in connection with the interpretation or enforcement of this Note, as permitted by and in accordance with the Credit Agreement.
